

LORD, WHO IS MY NEIGHBOR?

THE TRUTH AT THE BORDER

In February and June, Meta Peace Team sent peace teams to the US/Mexico border where they witnessed the trauma imposed by an immigration system that criminalizes asylum seekers. MPT Team members **MARY HANNA**, **KIM REDIGAN**, and **FR. PETER DOUGHERTY** will bring you their first-hand stories of people fleeing the violence of poverty, civil war, and a long history of U.S. intervention....and what our Faith tells us we are to do about it.
